The plot of *Dhananjay Chatterjee* is a burnt-out but bright police detective who was hot on the heels of Arko Bhattacharya, a serial killer. This case affects Dhananjay, and his wife Malini leaves him with their son Gogol. The murders stop, and the killer suddenly disappears. With the cold snap and with his personal life in ruins, Dhananjay takes a drink. After an inexplicable and mysterious break, the murders resume, forcing Dhananjay to kick a bottle, pick up pieces and again join the pursuit of a dangerous killer.
